

# Kezar Lake Assessment Mid-Project Presentation

By the Colby Sawyer College Third Year Environmental Students

**What:** Kezar Lake Assessment, Community - Based Research Mid - Project Presentation

**When:** December 2, 2021, 6-7:30 pm

**Where:** Clements Hall, Ivey Science Center, Colby-Sawyer College

The Colby-Sawyer College Community Based Research Class for the 21/22 academic year would like to invite the community to our Kezar Lake Assessment mid-project presentation! We will be sharing our goals and analyses of our progress from the semester. The class is working with the Kezar Lake Protective Association on a lake assessment, conducting water quality tests and providing community outreach opportunities. Our objective is to inform the community of what we have accomplished to date this semester as well as our plan for next semester. We would love to see you there!

If you are not able to make it in person, tune in on Zoom!
